

R2C™ – The Root to Crown Solution

The endodontic CE solution from diagnosis through restoration

Each step of endodontically treating and restoring a tooth is connected. This course walks through each step of root canal therapy – with each building on the success of the previous phase. From diagnostic protocol through coronal restoration, learn techniques for clinical success at every step needed to take the patient out of pain, restore function to the tooth while maintaining the proper aesthetic, and enhance long term success.

Learning Modules:

- Diagnosis and Treatment Planning
A complete understanding of the factors of each case
- Endodontic Access
Creating a proper access cavity is critical
- Antibacterial Dressings
Inter-appointment medicaments and temporizing teeth
- Shaping Utilizing the Most Advanced File Technology
Choices for imparting an appropriate shape to the canal
- Irrigation
Importance of removal of infection-causing bacteria
- Obturation
Pros and cons of sealers and obturation techniques
- Coronal Restoration of the Endodontically Treated Tooth
Choosing between direct vs. indirect restoration

Lunch will be provided.

Course Tuition: \$199.00 • CE Credits: 8

Featured Speaker: Dr. George Bruder

Dr. Bruder served as Director of the Advanced Specialty Education Program in Endodontics and the founding Chair of the Department of Endodontics at Stony Brook University School of Dental Medicine. He is a

Diplomate of the American Board of Endodontics and the Coordinator of Micro-Endodontics and Endodontic Technologies in the Advanced Graduate Program in Endodontics at Harvard School of Dental Medicine and the co-founder and CFO of the International Dental Institute - Forever Learning (IDIFL).

He has lectured internationally and published numerous articles on Micro-Endodontics and Endodontic technologies. In 2012 Dr. Bruder was awarded the Edward M. Osetek Educator Award from the American Association of Endodontists. He also authored and co-authored numerous chapters including the chapter on non-surgical Micro-Endodontic Retreatments with Dr. Robert R. White in the *Color Atlas of Endodontics*, by Dr. William Johnson.
